From the Desk of the National President

In May I was honored to attend the Colorado Department Convention. It was an amazing weekend, full of laughs, fun, sharing of knowledge and getting to know each other. I also participated in the wreath laying ceremony at the Tomb of the Unknown on Memorial Day at Arlington Cemetery. Always a touching and sobering event honoring those who have made the ultimate sacrifice.

As we move closer to the time for National Convention, please be sure that your Units are getting the Delegate forms completed and sent to the national office. This is so helpful to the registration committee and will mean that your credentials will ready when you arrive

In this newsletter you will find the Call to National Convention. We have a full agenda for each day, so come prepared to listen, discuss and learn and maybe have a little fun in the mix. We all have something to contribute. Please remember to come with an open mind. Also included are the National Credential/Delegate Form and Banner Form,

A reminder that, effective July 1, we will not be filling Ships Store orders to allow for preparation for convention and ensure sufficient stock is available. If you need supplies bring your order to convention and save the shipping charges or send it with someone who will be attending, they may be willing to pick up the items for you.

Thank you for sharing your valuable time and talents to assist those in need or distress. YOU are what makes this nation so great!

Semper Fi,

Karen Aune

Ladies of the Marine Corps League Auxiliary,

We are only a little more than two months away from our 2018 National Convention. Where has the time gone? If you have not made reservations yet, please do so immediately! Your unit and department should be represented so that members unable to attend can learn from those who do attend. Although the convention hotel has been full for some time, I understand that there are still rooms available in an overflow hotel. Check the

official website for all of the information you will need:
<https://www.mclnational.org/2018-national-convention.html>.

I had the pleasure of attending the Department of Maryland Convention this past weekend at the request of National President Karen Aune. She was asked to install their MCLA officers but was unable to do so due to a previous commitment. All of the attendees were so gracious and welcoming...and the weather in Ocean City was beautiful! Thank you, Department President Cindy Wolfe and all of the ladies for making me feel so welcome. It was an honor and a privilege to represent President Karen.

I have found through my travels that many departments and divisions hold Operation Little Angel events during their conventions and conferences. What a wonderful opportunity to support a local children's home or homeless shelter and fulfill our OLA mission! If you don't currently do so, this would be a good time to plan one for next year.

Thank you for all you do all year long! Have you recruited a new member this year?

Semper Fidelis,
Carol Smith
National Sr Vice President

From the Desk of the National Jr Vice President

Greetings Ladies!

I hope you all had the opportunity to celebrate a wonderful Mother's Day. It is a joyful time of the year for families & friends.

Shortly, we will be remembering the reason for "Memorial Day", our special time to remember those who gave their all for *Our Freedom*. How special we are to be to be living in the United States of America. May we ever be thankful for the sacrifices made for each of us. Please keep those who have lost those brave men and women in our prayers daily. Plan to attend one of the many scheduled events to honor our Heroes.

Just a reminder, reports of our activities are due. Please be sure to encourage all members to report the wonderful things they have accomplished this year. Remember our dates for activities are May 1, 2017- April 30, 2018.

Have you recruited a member this year? Please remember to mentor those new members. Keep them excited about all the things we do to help our marines, other veterans and communities. Listen to their new ideas and aid them in becoming an active participant in the unit.

Department Conventions are taking place in many areas. I hope you can take the time to be part of these important events. Cast your vote for Department leadership and help our auxiliaries grow.

We should have the proposed changes to our National Bylaws shortly, please keep an open mind and be prepared to give your valued opinion at the Convention in August.

Thank you for all you do!

Dear Auxiliary Sisters:

It must finally be spring. The trees outside my window are in full bloom and the weeds are beginning to appear in my garden.

TEAM – a number of persons associated together in work or activity – Merriam-Webster or a group of individuals working together to achieve a goal – Wikipedia. Basically both definitions mean the same thing.

Have you ever thought about the MCL Auxiliary’s purpose when the Senior Vice reads it at a meeting? I mean, have you really concentrated on the words? If not, listen closely the next time you are at a meeting; think about the purpose and what it means to you. Our purpose is to “band together in comradeship the members of this Auxiliary...” Sounds like the definition of a “team” to me.

On more than occasion over the past several months, I have heard, comments that sound as if we are not banding together and working as a team for the good of the Auxiliary, negating the bond of comradeship between the Auxiliary, the Marine Corps, and Marine Corps League. If we cannot work together and get along, how can we form that bond of comradeship with the League?

I realize we all have different personalities and differing opinions on how things should be done, but a team works together, putting personality conflicts and differences of opinions aside for the greater good. Rather than grumble, why not speak directly to the person and try to come to an amicable resolution? Change, by nature is something we all resist, but sometimes change is good.

If someone has an idea, hear them out; don’t automatically say, “Oh, that won’t work,” or “We tried that before and it didn’t work.” Sit down and analyze the idea - who knows - with a little tweaking you may be pleasantly surprised! If you are new to a position, give yourself a little time before starting to make changes; members may be a little less resistant to the changes, and sometimes the old adage, “if it’s not broke, don’t fix it” is the best approach.

Ladies, it takes a TEAM to keep our Auxiliary strong and the last time I looked there was no “T” in team. So, let’s all try to work like a team and

remember our purpose is “to band together in comradeship this Auxiliary, and to create a bond of comradeship between this Auxiliary, and the Marine Corps and the Marine Corps League.”

Until next month.

GIRL SCOUTS

Girl Scouts®

The Girl Scout Gold Award is the highest award a girl can earn in scouting. Most Girl Scout Councils have ceremonies for their girls to receive their awards before the end of June. Our Auxiliary honors girls that have achieved their award with our Auxiliary Good Citizenship Award. If girls are not receiving awards from the auxiliary in your state, please consider doing the award for girls in your area next year. You can contact a Girl Scout Council and explain about the auxiliary award and they will send you a list of the girls who have completed their requirements for earning the Gold Award.

Your auxiliary should send in your MARINNE CORPS AUXILIARY VOLUNTEER REPORT to your state department secretary. On the form, near the bottom, it asks “Girl Scouts only: Number of Awards Given _____”. Please send me a copy of what you turned in to your State Department. I use that information to recognize, at National Convention in August, to give out auxiliary certificates to those auxiliaries or state departments that did the awards. I need your information.

Please email me at carolelyston@gmail.com or mail to me: Carole Lyston, 5813 Oak Branch Dr., St. Louis, MO 63128

Thank you to all the auxiliaries that did honor the girls with our Good Citizenship Award.

Carole Lyston, Girl Scout Chairman

From The Office:

Please don't forget to include the application for each new member with the transmittal when you send them to Department and/or Headquarters. I am required to keep a copy on file here at HQ and I can't do my job without your help. Thanks!

In other news – there is a great committee searching and purchasing new items for the store. These new items will be for sale at the National Convention – I hope to have more information for you in the July newsletter.

Blessings,

Karen Grady
