From the Desk of the National President

Our Mid-Winter Board meeting was successful. I thank all the Board Members for attending this important meeting.

The Hospitality Room on Thursday was successful as well. I thank all the ladies who helped set up, cook and clean up afterwards. A special thanks goes to the following ladies from the Mickey Finn Unit who provided some really good food to help fill up the hungry Marines that were waiting at the door to chow down: Sherri Bartek, Jennifer Dith, Doris Kindel, Mary Langoria, Cindy Marshall, Peggy Moore, Chris Salzman, Charlene Scanlon and Andrea Watson. Ladies, we could not have done this without you. Thank you Andrea for coordinating their effort. I also thank Debby Krueger and Nila Caulder who came to my room and helped fix the sauerkraut and kielbasa, deviled eggs and whatever else we worked on for the hospitality room that day. I could not have hosted the Auxiliary portion of the Hospitality Room without the help of all these ladies.

We have Division Conferences coming up. Please attend your Division Conference and support your Division Vice President. This is a time to learn and to be encouraged and to support one another as we reach out and serve our Marines and our Veterans.

I want to encourage Units and Departments to begin working on your volunteer reports of activity for the year May 1, 2015 to April 30, 2016. Reports are due to the National Chairs by July 1, 2016. Their information will be listed in the May newsletter.

The National Convention is coming up in August in Tulsa OK, August 6-13, 2016. If you have not made your reservation to attend please do so as soon as possible. The hotel is Hyatt Regency Tulsa, 918-234-1234 (mention the Marine Corps League when making your reservation). One overflow hotel is Courtyard by Marriott, Tulsa Downtown, 918-508-7400. This is stated to be within walking distance of the convention hotel. Another overflow hotel is Holiday Inn Tulsa City Center, 855-914-1748. They have prepared a great convention so please come see and participate in the excitement.

Department Spring Conferences and Department Conventions are coming up. If you live in a state with a Department, please support that Department by

participating in these meetings. Each member in the state makes up the Department. It will only function as you make it happen.

Now is the time for Units to select their Delegates for the National Convention and get them registered by July 1, 2016. The fee for registering after that date is higher. It is necessary to register your Delegates so they will be able to vote your Unit's full strength and they will be representing you. The Delegate form is within this newsletter.

The Banner Form is attached to this newsletter. If you are sending or bringing your banner to the National Convention, this form needs to be filled out so you will have a ribbon for your banner or flag.

I am happy to be of service to the MCLA and happy to be representing each of you at the National level. I hope to be able to continue serving you for another term.

From the Desk of the National Sr Vice President

I want to extend a heartfelt Thank You to those who were able to attend the President's Council meeting at this past Mid-Winter conference in Falls Church, VA. We had a great turn out and some fantastic discussions on matters like facing challenges, encouraging attendance at state and national meetings, making sure new attendees or members are not left to fend for themselves, assign a 'buddy' to help them and several other topics.

One item that also came up was Conflict Resolution and I want to address that topic in this article. I believe we all know what Conflict is, but do we know the best way to handle it so that the best result for everyone is reached. The most important step to this end is for all parties to remain respectful and courteous and to listen with an open mind to the thoughts and opinions of others. We must consider all sides of a matter to get a full understanding of the conflict and have open and honest discussions of possible resolutions; keeping in mind that these should never be one sided. It is possible that your particular 'requirement' for resolution is not fair to others or is 'one sided'. Sometimes we need to accept what we can comfortably live with and give something to the other side. Most of all ladies, I would ask that you always keep an open dialogue and not let things become bigger than they really are.

Thanks also to those who were able to attend the Madam President's luncheon on Saturday at Mid-Winter. I know she really appreciated the time you gave to spend with her.

The Mid-Winter Staff Meeting was informative & productive. One big plus was not have a severe a snow storm. Visiting with our staff and members at this conference reveals all the wonderful things that are happening around the country with our Units, Departments and Divisions. You the membership accomplish amazing things in support of our Marines, Auxiliary and League.

Yesterday I had the opportunity to install the new officers of my home unit. It is truly wonderful to see new leaders stepping up to these important positions. They will take the knowledge of past leaders and add their own touch to build a better unit. Our future is bright.

Each unit has the opportunity to nurture these future leaders. Where there are challenges build opportunity. Together we build the future. Thank you for all you do!

MID WINTER CONFERENCE 2016

March 3, 2016

The meeting was called to order at 1:45 PM by National President Deborah Evans. National Chaplain Barbara Nobile read a short prayer.

President Evans thanked everyone for their help with the hospitality room. Each board member introduced themselves and gave their position and state of residence.

PNP Cindy Marshall will fill the seat of Southeast Division Vice President.

PNP Ruth Moyse notified the president she will not be present at Midwinter or National and requests to be replaced on all committees. Tracey Killinger has resigned from Operation Little Angel Chair, VAVS Chair Rosemary Bressler passed away and Brenda Tominelli resigned from the headquarters project.

PNP Barbara Nobile will be temporary chair of OLA. Nancy Calleja will be appointed as the VAVS Representative and a Deputy still needed. Judy Horensky suggested Carrie MacIntosh.

Peggy Tuohy is willing to take on the Spring Headquarters project.

Ships store hours are 8 until meeting time and during lunch and for a short period after the meeting. PNP Cindy Marshall said there will be a new unit in Fredericksburg, VA. Judy Blackmer has a new unit in Michigan. If a Unit folds, the unit flags go to the department to be held for two years in case the Unit is reinstated. After that everything goes to national headquarters.

Lynn Foster was admitted to the room. She said that dual members can be located in the data base and she would like to know the names of all dual members. Divisions Vice Presidents will check with unit and department presidents to find out who is a dual member.

A discussion was held on starter packets. President Evans feels that department presidents and unit presidents should have a starter packet available and when they have an opportunity to spread the word, they should not have to wait to receive a starter packet. President Deborah Evans attended a detachment charter presentation. She was asked to speak about the auxiliary and spent about an hour after the charter presentation and gave them the starter kit. She advised the department and division vice president what she had done. Lynn Foster will give division vice presidents starter kits at this meeting. National Senior Vice President Karen Aune said that the bylaws, Article 2, Section 210, #4, state the division vice president should give out starter packets. Judy Horensky said a department president asked for a starter kit. Darlene MacCubbin feels uncomfortable having starter kits out and not knowing where they are.

Deborah Evans feels that she is being unjustly sanctioned for signing her name with a smiley face on the charters. She asked to be notified by anyone not wishing her to sign her name that way.

Gerri Tuohy was appointed to the position of chief of staff and there is not one mention of the chief of staff duties in the bylaws or administrative procedures. A discussion was held as to what the

position entails. Elaine Schieffer advised she mailed insurance information to all division vice presidents.

Discussion continued on the proper way to sign a document. Judge Advocate Evelyn Joppa said the signature can be signed anyway they want. It is a personal decision.

Senior Vice President Karen Aune asked why we are required to report life members every year. Many units don't use death certificates so their names are noted on a life member transmittal.

A discussion was held. Senior Vice Karen feels they should have to be transmitted only once. Body will decide at National Convention.

Junior Vice President Carol Smith said membership percentages are incorrect.

Morgan Stanley representative Tom McIlwee reported on the financial status of the Auxiliary. He recommends not making any changes this year unless unexpected funds are needed.

Announcements were made and the meeting adjourned.

March 4, 2016

National President Deborah Evans opened the meeting at 1:15 PM. National Chaplain Barbara Nobile opened the bible and draped the charter.

Senior Vice President Karen Aune read the purpose of the Auxiliary. Junior Vice President Carol Smith read the eligibility.

The secretary called the roll of elected officers and read the minutes of the previous meeting. There were several corrections and the minutes stood as corrected.

The position of Southwest Division Vice President is being filled by PNP Cindy Marshall.

Senior Vice President Karen Aune stood while National President Deborah Evans read her report. She then made a motion to accept the Presidents report and all ensuing reports into record. Motion seconded by Debbie Krueger. Motion carried.

Senior Vice President Karen Aune read her report followed by the report of Junior Vice President Carol Smith the report of National Judge Advocate Evelyn Joppa, and National Junior Past President Jackie Hunter.

All division vice presidents gave highlights of their office and their reports are located on a table in the back of the meeting room.

Lynn Foster was admitted to the room. She reported on ships store sales in the amount of \$1,744 on Thursday and \$320 on Friday. She brought starter packets for the division vice presidents and new rosters are in the back of the room. She is looking at other web hosting companies for ease in ordering and submitting transmittals. Jackie Hunter would like to be assured of how secure it is.

Carol Smith would like to know how the departments would get their money if it goes through email.

The ship's store will not be open on Saturday. The bible was closed for a short break.

The bible was opened and the meeting continued. President Evans thanked the Mickey Finn Unit for their assistance with the hospitality room.

National Chaplain Barbara Nobile read her report and a letter from Karen Bressler.

National Senior Vice Commandant Wendell Webb was escorted into the room. He spoke about 990's and EINs. He can provide a reinstatement 1024 form. Elaine Schieffer asked who to contact with questions about 990's and EIN's. He suggested Jackie Hunter.

Jackie Hunter asked Madam Big Flea Pat Engle if they have EIN numbers. She was advised they do.

Junior Vice President Carol Smith read the membership report. There are 2481 members.

Meg Krebs has requested that input for the newsletter be received on a regular basis from the division vice presidents. Meg was not given the schedule and President Deborah did not send out reminders when each division had a submission due. Meg would like to get an article from the top five elected officers by the 15th of March. Everyone seemed to like the new format of the newsletter. Members would like to have Meg acknowledge that she has received submissions.

Comptroller Peggy Tuohy read her report followed by her report as National Convention Liaison.

Gerri Tuohy reported on the budget committee. The budget is on target. Teena Engle gave report on the scholarship committee. The rules for the application are on the website. All applicants must be sponsored by a League or Auxiliary member or be a member of either. All applications need to be postmarked on or prior to July 1.

Meeting to open at 9:15 on Saturday.

March 5, 2016

National Chaplain Barbara Nobile opened the bible. Gerri Tuohy is filling the chair of Southwest division vice president. A forms report was read by Senior Vice President Karen Aune. Jackie Hunter asked Karen about how to surrender a charter. There will be an enclosure voted on at National Convention. Junior Vice President Carol Smith spoke about the banners and flags. Wendell Webb has the name of a company owned by Marines.

The report of the memorial fund was given by Debbie Krueger. Fund balance is \$13,318.99.

Brenda Tominelli reported on the headquarters project. The net proceeds are \$1537.95. There was a discussion as to the labels received and the cost of tickets to be sold.

Chief Devil Dog C. O Smith was escorted to the podium and presented a check for \$1,250.00 to Operation Little Angel and \$1,250.00 for the Military Order of Devil Dog fleas.

The discussion continued as to the price of tickets. Jackie Hunter made a motion to table the discussion. Karen Aune seconded. Motion carried.

Jay from Alternative House was introduced. They have been in existence for 44 years. She was presented a check for \$1,000 from OLA.

Jackie Hunter moved to untable the discussion. Seconded by Evelyn Joppa, motion carried. Peggy Tuohy asked about the cost of the tickets for next year. How much should the tickets be and how many should be sent per envelope. Gerri Tuohy made a motion for 20 tickets per envelope for \$5 per ticket or five for \$20. Darlene MacCubbin seconded. Motion carried.

Peggy Tuohy gave the report as the convention liaison. There have been bids from Charleston, WV for 2018 and verbal bids from Pennsylvania and New Jersey.

Peggy Tuohy said there have been complaints from the hotel in Tulsa about members registering for more than one room, sometimes 6 - 8 rooms. In the future, anyone registering for more than one room and not canceling will incur a charge per room of one nights lodging. It was announced that mid winter will be in Fredericksburg, VA next year. The chaplain closed bible for a short break.

The meeting was reopened by SVP Karen Aune at 10:45 AM. National chaplain Barbara Nobile opened the bible.

The national president was escorted to podium. Barbara Nobile reported on OLA. Colleen English filled the chair of Elaine Schieffer. Barbara feels there should not be a OLA event, paid for by OLA funds, at mid winter. A discussion was held. Karen Aune made a motion that the OLA event stop at mid winter because of the expense to the committee. Carol Smith seconded. Motion carried.

President Evans received an email from Liz McCleaster, MCL Newsletter committee, asking for email addresses for a newsletter competition. A discussion was held and the president will put the information in the newsletter.

Meg Krebs reported she has been receiving articles late. Only two times a year will she accept late submissions, after mid winter and after national convention. She would like programs of pride submissions. Barbara Nobile would like units and departments to send her information on what they are doing for OLA. Brenda Tominelli submitted a program of pride but it was not included.

The bible was closed for a collection for OLA. After the collection, there was a flag salute and the meeting recessed for lunch.

The bible was opened and the meeting resumed. President Evans is looking for someone to work in the ships store during convention along with a couple of helpers.

Barbara Nobile reported that \$217 was collected off the floor for a total of \$1,570 for Operation Little Angel.

Debbie Krueger collected \$438 at this conference for the memorial fund.

SVP Karen Aune advised that packages received with the starter kits are incorrect. Duplications are included. The cover letter should be sent via email from the executive secretary.

Senior Vice President Karen Aune spoke about transmitting life members yearly. She feels it is a duplication of work to report life members every year. It will be voted on at national convention.

A discussion was held on mailing national proceedings. Jackie Hunter said that 200 pieces of identical weight material must be had in order to use bulk mailing. As a clarification, the fall project is mailed to national officers, department presidents and unit presidents. The spring project is mailed to all members of the auxiliary. Also to the league when labels are provided.

Peggy Tuohy asked if the lists were purged prior to mailing.

National Chaplain Barbara Nobile asked members to send her unused greeting cards and postage.

President Deborah Evans announced that she will be running for a second term. Senior Vice President Karen Aune is also running for National President. Carol Smith announced that she will be running for Senior Vice President. Evelyn Joppa is running for Junior Vice President. Linda Chamberlain is running for Judge Advocate. Dottie Sanning is running for Judge Advocate.

The chaplain closed the bible and National President Deborah Evans closed the meeting.

Respectfully submitted,

HPNP Lynn LaBerge, Recording Secretary
