From the Desk of the National President

Once again, I have found it necessary to count on National Senior Vice President Evelyn Joppa. She graciously agreed to represent me at the Veterans Day Ceremony at Arlington National Cemetery on Veterans Day. As disappointed as I was in not being able to attend, it is reassuring and heartening to know that I can count on my staff to fill in when necessary. Thank you again, Evelyn. Also, I wish to thank Alima Zimmer and Nila Caulder who served as Flag and Banner Bearers during the National Veterans Day Ceremony.

I was able to join our local members of the Marine Corps League and Marine Corps League Auxiliary in celebrating the 243rd birthday of the United States Marine Corps and the local Veterans Day program the following morning.

If you have not yet done so, please make your plans for attending the National Mid-Winter Conference and your Division Conferences. They will be here soon!

While we need to continue to pray for and assist those who have been affected by the hurricanes on the east coast and along the Florida panhandle, we now need your urgent prayers and help for those who have lost family members, homes, and entire communities in California. Please remember our Marines and their families and provide whatever assistance you can.

Ladies of the Marine Corps League Auxiliary,

May the joy of the Holiday Season flood your home and bring blessings to all. During this wonderful family time may we be reminded of how special it is to live in the USA and the great sacrifice of all those who have provided us with this freedom.

It was my honor to represent our National President Carol Smith at the Veterans Day Ceremony, Arlington National Cemetery on November 11. To view the Tomb of the Unknown Soldier, the changing of the guard, the thousands of graves and the beautiful ceremony is truly a humbling and reverent experience. Alima Zimmer and Nila Caulder carried the Colors for our Auxiliary in the Parade of Flags during the ceremony. Nice job ladies. After the ceremony, I had the opportunity to participate with National Commandant Wendell Webb and 58th Chief Devil Dog Leonard Spicer in a wreath laying ceremony at the Tomb of the Unknown Soldier.

Many of our members are gearing up for the Toys for Tots Program and other special programs for our veterans, in hospitals & assisted living centers.

I thank each of you for all the things you have been doing through out the year and the special things during the Holiday Season. Working together to meet our objectives is what keeps this organization strong.

Merry Christmas

Greetings Marine Corps League Auxiliary Sisters:

I can't believe this is my last article for 2018 – where has the year gone?

I hope everyone has an enjoyable Thanksgiving spent with loving family and great friends. This month's article will be two parts.

Part I:

We are now at that point in time where every unit should have submitted at least one, if not all, of their current membership transmittals. Our numbers from Headquarters as of the close of business on Monday, November 5, 2018 were as follows:

2030 current memberships

- 1033 LM, ALM, or new LM or ALM
- 921 R, RAM, or MAL
- 76 new members R, RAM or MAL

2019 Rocky Mountain Division Conference

Hotel: DoubleTree by Hilton Greeley at Lincoln Park
City: Greeley, CO
Date: 03-May to 05-May-2019

We are still missing 701 members (more if I subtract the 76 new members).

If you have members in your unit who have not renewed their membership, please reach out to them with a gentle reminder that their MCLA membership dues are delinquent. In today's busy world it would be very easy to misplace the renewal notice.

I really don't want to sound like a nag or a broken record but it is very important that we continue to practice the 3 "R's RETAIN, REVITALIZE, RECRUIT.

Part II:

Now I am going to put on my 990 hat and remind all unit and department treasurers if they have not filed their 2017 990 now is the time to do so. Please be sure to print off a copy of the acceptance notice for your files and also send a copy to National Headquarters.

Happy Holidays

Dear Auxiliary Sisters:

By the time you read this we will be halfway through the holiday season. Such a busy couple of months! For me the beginning of the season starts with the Marine Corps Birthday Ball. I thoroughly enjoyed attending my local Marine Corps Birthday Ball where we had an amazing speaker. Major Laurel Hull (Retired) accepted our invitation to speak to us about her career in the Marine Corps and the anniversary of the Women Marines. As the mother of a woman Marine I was particularly touched and appreciated even more the sacrifice and strength shown by women in the Corps throughout history.

The next part of the holiday season is Veteran's Day – a day where we thank all Veterans for their dedication to God and country. What a blessing it is when we can reach out to them and share a meal and perhaps listen to their stories. This is followed closely by the ever sumptuous Thanksgiving with family, friends, food and football. I enjoy participating in the watching of college and professional football as bonding time with my family.

There is not much time until we are fully engrossed in Christmas and what it means to each one of us. From creating and sending care packages to our deployed military, to visit and spend time with our veterans at nursing homes

or hospitals; church services with children's voices and smiling faces that we meet in our communities. This season, I pray we all have the opportunity to spend time with others who are not able to be home or with their families.

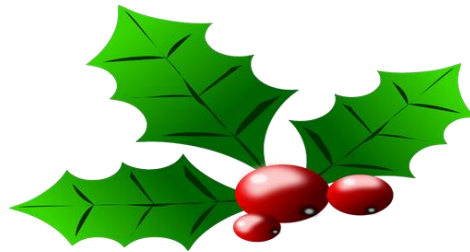

The holiday season usually culminates with – you guessed it – Bylaws and Administrative Procedures! At the National Convention our Delegates voted to make some changes. Each change which was approved shall become effective after the approval of the National Judge Advocate of the Marine Corps League, but no later than 1 January of the following year. Be sure to go online soon and see the exciting changes made to our Bylaws and Administrative Procedures.

Stay safe and warm.
