## From the Desk of the National President

Ladies of the Marine Corps League Auxiliary,

Last month, I asked for your prayers and assistance in helping those who needed it in the aftermath of Hurricane Florence which was about to make landfall along the east coast. Little did I know that we would have a much more devastating storm, Hurricane Michael, which hit the Florida panhandle just a few weeks later!. Please continue your prayers for and assistance to those affected by both catastrophes.

Mideast Division Vice President Pat Walker informed me that the Onslow County Unit in Jacksonville, North Carolina is assisting their detachment with providing needed items for Marine families in that area. If you or your unit would like to make a monetary donation to help them, please send your checks payable to Onslow County Marine Corps League to: Onslow County Detachment 262 Commandant Leroy Walker, DAV Hall, 300 Sherwood Rd., Jacksonville, NC 28540. Write "Humanitarian Fund" on the memo line. If I receive information on assisting a unit or detachment in the affected Florida area, I will pass that information along.

While I am requesting donations, I would like for all of our members, units, and departments to remember the MCLA National Headquarters Project in your giving. Chairman Peggy Tuohy informed us at the National Convention in August that her most recent letters soliciting donations failed miserably. Of 2,953 letters mailed out, she only received 156 responses with donations. In order to keep our office running smoothly, we need your support! My unit approved a donation of \$100 to the HQ Project at our October meeting; please consider giving to our auxiliary as you plan for your philanthropic donations. Also, if any of you think of a better means of soliciting donations, please, please let us know.

## 990n (epostcard) Filings

Please remember to file  
your 990n (epostcard)  
no later than November

On October 10, I was honored to serve as Installing Officer for my own Unit, the West Central Illinois Leathernecks, in Jacksonville, IL. Pictured above (L to R): Dept of IL 4th District VP Jan Carleton who served as Installing Guard and Chaplain, Nat. Pres. Carol Smith, Unit President Tonya Crosier, re-elected for a second term.

Convention proceedings and updates to the National Bylaws, Administrative Procedures, and Enclosures were mailed to each unit and department a few weeks ago. If you have not received them, please contact National Secretary Karen Grady at National Headquarters. These documents are also posted on our National website.

As you plan for your celebrations of the Marine Corps Birthday and ceremonies honoring all veterans on this Veterans Day, please remember those who are serving in harm's way and their loved ones at home. And I wish for each of you a blessed Thanksgiving!

Greetings Ladies!

### Happy Birthday Marines!

Many of our Auxiliary Ladies are aiding our Marines with the 243 Birthday of the United States Marine Corps. Thank you Ladies. It is always a favorite time of the year for me.

In September I had the honor of representing our National President at Quantico, VA for the Modern-Day Marine Expo. What a spectacular array of weapons and technology on display for our active duty Marines. The highlight for me was being there to see the Noncommissioned Officers receive their awards. Awesome group of Marines.

I had the opportunity to assist our National Secretary, Karen Grady, with stuffing envelopes with our Convention Proceedings and Bylaw, administrative changes. Karen G. is extremely organized. Her small office is set up so well that anyone with a little guidance could help. She accomplishes everything that is asked of her (and more) in a timely manner. It was wonderful to have the opportunity to help and learn.

I attended a Gold Star Mother event in Palm Harbor September 29<sup>th</sup>. It was very moving with many wonderful military families present. The display of the Florida Fallen was awesome to say the least.

The Dept of Florida MCLA just finished their fall conference. It was super to have both New Southeast Division VP Carol Mazzara and Assistant SE VP Mary Ruhl present. Thanks to National Jr. Vice President Linda Chamberlain for the quick turn around the Bylaws and Administrative Procedures in submitting them to the National MCL JA Warren Griffin. It made it easy to address these items at the workshop, giving everyone a look at all the changes and the unit cover sheet and transmittal.

At the present, with request of the President Carol Smith and National VAVS Chair Karen Bressler, please direct questions on certification and re-certifications to my email [nationalsrvp@nationalmcla.org](mailto:nationalsrvp@nationalmcla.org). This is only until Karen is feeling better.

We need to continue to maintain current members and recruit new members. Have you recruited a new member this year or called a member who missed a meeting?

Happy Thanksgiving Day, as you share this special day with family & friends.

I choose to be encouraged by all the wonderful things our members do to support Marines, Veterans and our community. Thank you!

## From the Desk of the National Jr Vice President

Ladies:

As a follow-up to last month's article, I would like to share some ideas on how to possibly help units that may be closing due to aging members, dwindling membership, the unwillingness to obtain an EIN number or lack of funds to file for incorporation.

If your department learns of a unit's intent to close, contact the president to see if there is anything that can be done to help keep the unit going. It may be as simple as filing their 990 for them or helping them become incorporated.

Start a new unit led by department officers (yes, they would need to become dual members), and made up of the members from all of the closing units within your department. We have done this in Pennsylvania and it has worked out quite well.

Let's also look at how we might *retain* our current members and *revitalize* our units.

**Retain:** Reach out to those members you have not seen for awhile; ask if they are ok; is there a problem or issue within the unit that has been keeping them away; and, if so, what can be done to bring them back to the meetings. Offer to pay their dues if the issue is financial. Let them know you do not want to lose them as a member of the Auxiliary.

**Revitalize:** Make your meetings fun. Do something to spark interest. Have cake and coffee after a meeting. Have a dinner meeting where everyone brings something or you order in. Have a girl's night out.

Here are some other ideas that may not only help retain and revitalize, but could also be a fund raiser and a recruitment tool. Take a table at a flea market or have a unit yard sale. I'm sure everyone has some treasures they are willing to part with. Several restaurants will let you have a "night" at their establishment where you distribute flyers advertising the event, and when the patrons come to dine you receive a percentage of the cost of the meal.

At your next unit meeting, set some time aside and discuss the unit; invite suggestions to spark interest and ask what you can do as a group to keep everyone sitting in the room involved for another year.

I truly believe that retention of the members we have is just as important as recruiting new members. For every member you lose, you need to recruit two new members, one to fill the loss of the member and the other to increase your unit strength.

Happy Thanksgiving 

Semper Fidelis

## From the Desk of the National Judge Advocate

This is the time of year when many thoughts turn to the Marine Corps Birthday celebration:

What shall I wear?

What kind of table centerpiece will we have?

Who is going to babysit the kids?

This next month of preparation is exactly that - preparation. While we think about what we will wear, what it will look like, and even if we will attend let us always remember. Remember those who cannot be with us in body. Remember those who live on in our memory. Remember those who helped to shape our freedom.

There will be many celebrations for our Marines. But this is also a time for us to reach out to our sisters whose Marines are only in their memories. They used to celebrate the Marine Corps Birthday with their husband, wife, father, mother, son or daughter but can no longer have this time with them. We can extend that hand of friendship or that evening of camaraderie.

Perhaps this is a good time to review your membership list and touch base those who have not attended a meeting in a while, or those whose memberships have lapsed.

*DID YOU KNOW? Bylaws Section 620 – Delinquent Members. (A) A member, having been delinquent one or more years and desiring to renew her membership, may do so by paying all arrear dues or by joining as a new member. It's a good time to touch base, and remember.*

## From the Desk of the South East Division Vice President

Hello ladies, I am so very excited about our auxiliary and the many things each of you accomplish daily. I look forward to meeting you in the near future and I am here to help you with anything you might need assistance with.

I attended the National Convention in New York and gained a wealth of information. I hope each of you can attend a National Convention to see how organized and informative the meetings are. I was excited to see two people recruited 13 members last year.

I hope we continue efforts to retain all members. We all need to look for ways to encourage members to be part of all activities and events. When we know a person's interest and talents this becomes an easier task. Get each member to complete a get to know you card. Keep this card on file and make it a part of your planning for the next year that might encourage members to participate in activities and events. Below you will find a sample you can copy and use if you are interested.

I had the opportunity to meet with the League South East Division Vice, Archie Sweet. He is willing to help us with anything we might need. I am looking forward to working with him over the next year to see how we might recruit more unites. I look forward to seeing some of you at your meetings in the near future.

### From the Rocky Mountain Division

It has been a busy summer for the Rocky mountain Division and the fall looks like it is going to be a busy one also – Department Conventions, Division Conference and National Convention. Through all of these our members have kept up with their volunteer activities at the VA hospitals, Fisher House, nursing homes, county fairs, car shows, churches, and senior centers. Several Units are gearing up for their annual stocking stuffers for our troops. These are always a time where our units work side by side with our detachments and in some cases our Young Marines.

Exciting news from Utah, the Department President, Darcy Anderson, has contacted us about trying out the fire team program. We are looking forward to trying out this concept. Junior Past Division Vice President, Debby Krueger is going to be assisting all of us with this endeavor. We are hoping that we can be successful with this concept.

Reminders have been sent to the units to file their incorporation paperwork, their 990's and to send in their membership dues.

Karen Bressler and Holly Price

The building of a display...

In the old offices the Past National Presidents Pictures were hung on both sides of the wall as one entered the office of the MCLA. I only worked in those offices 3 weeks before the big move to Stafford and getting all those pictures off the wall and packed safely was quite a task. I enlisted my college age son to help.

It has taken two years, but the Past National Presidents are back on the wall. Bob Borka, MCL's COO, gave us permission to put the PNP's on the wall outside the conference room, across from our storage room.

We have a few new frames, a few new brass tags, a brand-new sign... and I couldn't have completed the project without the help of MCL member Bill Watson. He's a gem!

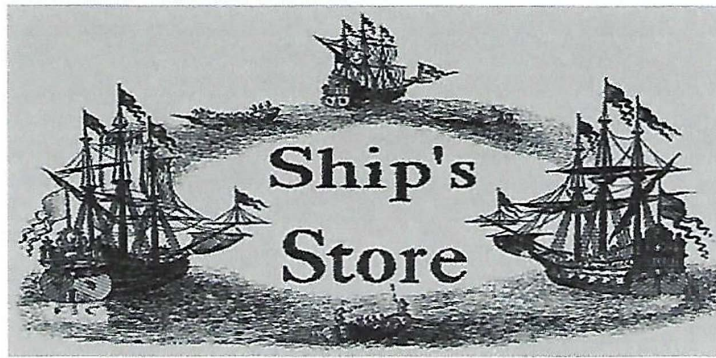

I do apologize for the delay, but I hope you are happy with the results.

Big Thank You to Patricia Borka for taking pictures of the finished wall

One brass nametag is missing – it came back with an error 😊. Hoping to have it in a week!
