- 2. It is the responsibility of the Unit Chairman to prepare and mail two (2) copies of her report to the Department Chairman (where a Department exists) thirty days prior to the Department Convention. If no Department exists, the Unit Chairman should send one (1) copy of her report to the National Chairman by July 1.
- 3. It is the responsibility of the Department Chairman to compile all Unit reports and record the information on the Cover Sheet. She should only forward one (1) copy of the Cover Sheet to the National Chairman by July 1.

It is not necessary then to fill each blank with a dash or zero. Send your report to the proper Chairman, even if you show no activity. It is not known if your report is lost or if you are not active in an area unless your form is received. National Headquarters must report all work and donations to Congress annually.
