National President - Dotty Sanning

Ladies,

As I write this article, I would like to extend a warm and heartfelt welcome to the members of the Midstate Magnolias as they continue the process of becoming our newest Unit. Their enthusiasm and dedication are truly exciting, and we eagerly anticipate the day they officially join our organization. It is wonderful to see such growth in South Carolina, and we look forward to the opportunity to have two thriving Units serving our mission. While we are always saddened when an established Unit closes, the formation of a new Unit brings renewed energy and hope as we continue our legacy of service and good works.

Over the past several months, I have had the honor of attending the Midwest Division, Department of Colorado, Rocky Mountain Division, Department of Louisiana, and Department of Missouri conventions. It has been a true joy to spend time with our members across the country. I have learned something valuable from every gathering and, I hope, have shared some of my own knowledge and experiences along the way.

This will be my final newsletter article as your National President, but do not worry - I am not going far. As the Junior Past President (and a life member) I will continue to support our Auxiliary from the sidelines, offering advice when needed and, of course, contributing more newsletter articles. Throughout my term, my staff has worked tirelessly to ensure that we remained united in purpose and focused on what is best for our beloved Auxiliary and sisterhood. We have faced many challenges as well as enjoyed countless uplifting moments that continue to make me smile. Through each experience, we have learned, grown, and become stronger together.

National President (Con't)

My Chief of Staff, PNP Gerri Tuohy, has been a constant source of support, helping me maintain the proper perspective on both protocol and the importance of enjoying the journey. I am deeply grateful for her friendship, guidance, and dedication.

I also want to express my sincere appreciation to all of our sisters who supported my goals, kept important matters at the forefront, and welcomed me as I traveled throughout the country. Your encouragement and commitment have meant more than words can express.

Our National Secretary, Ramona Smith, is truly one of the treasures of this organization. She skillfully manages the countless details and responsibilities necessary to keep our organization running smoothly while ensuring that we remain aligned with the guidelines of the Marine Corps League. Time and again, she anticipated needs I had not considered and helped keep all of us informed, organized, and moving forward together.

As this chapter comes to a close, I stand ready and willing to support our next National President and her staff in any way I can. I look forward to continuing to serve our Auxiliary and assist wherever I am needed.

Thank you for your confidence, your support, and the privilege of serving as your National President. The friendships, memories, and experiences of these past years will remain with me always.

Happy 250th Birthday America!

As we celebrate the birth of our nation this Fourth of July, we wish all of our members and their families a safe and enjoyable Independence Day. Whether you're attending community events, spending time with family and friends, or simply enjoying the summer weather, take a moment to reflect on the freedoms we enjoy and those who have served to protect them.

As we prepare for the National Convention, please note several important deadlines. If you are planning to purchase uniform items or other merchandise, please place your order before **July 2**, as the Ship Store will be closed for inventory and allow time for packing and loading the trailer.

A friendly reminder that all reports are due to Headquarters no later than **July 16**. Timely submission helps ensure materials can be processed and distributed prior to National Convention.

I will be out of town for portions of July and working remotely on limited hours. I will respond to emails and requests as quickly as possible. If your matter is urgent, please contact Madam President or indicate "**URGENT**" in the subject line to help ensure a prompt response.

Looking for a reason to smile this month? Mark your calendars for these fun July observances:

- July 7 – World Chocolate Day 🍫
- July 13 – National French Fry Day 🍟
- July 17 – World Emoji Day 😊
- July 19 – National Ice Cream Day 🍦
- July 22 – National Hammock Day 🌴
- July 24 – National Cousins Day 👨👩👧👦

These lighthearted celebrations are a great way to enjoy the summer and connect with family and friends.

I am looking forward to seeing many of you at the National Convention. Be sure you stop by the Ship store to check out our new merchandise and special offerings.

Wishing you a safe, enjoyable and patriotic July!

Ramona Smith

National Secretary

This is the time of the year that we all should be considering who we would prefer in the various leadership positions. With that in mind, let's look at a few things when considering what a potential leader should possess. These will be only a few for each of the top four leadership positions.

JUDGE ADVOCATE

1. Ability to understand and interpret statutes and policies of the organization.
 2. Ability to weigh opposing views, evaluate complex issues, and provide reliable opinions for deciding solutions.
 3. Effective communication skills for elaborating decisions.
 4. Ability to absorb details and research information.
-

JUNIOR VICE PRESIDENT

1. Enthusiasm for organization and salesmanship.
2. Of all the specific officer assignments, recruiting and retaining members rank at the top of the list.

SENIOR VICE PRESIDENT

The one objective of the SVP position is one of preparation for the office of President. In achieving that objective, it is important for the SVP to be integrally involved in all the affairs of the unit, department or national and to take on, specific tasks assigned by the President.

And now the top position of **PRESIDENT.**

1. Proven leadership and management skills.
2. Effective communication skills with members and the community.
3. Ability to establish mutually agreed upon objective; plan, direct, articulate and promote strategies within sphere of influence.
4. Ability to recognize and solve problems.

From the Desk of the Central Division Vice President

Greetings to all Auxiliary Members,

As we welcome in summertime and all the sunshine, we need to shine light on the importance of taking the time to look at all job descriptions for our Auxiliary positions. I would like to share we have a new unit in Bowling Green, KY, that's already doing amazing things including a fundraiser for the Auxiliary and Toys for Tots! It's time to reboot, restart and refresh! I love the Auxiliary; we had a fantastic Central Division conference. A great big thank you to all participated.

It is important to remember that when you put in your intent for a position and you are voted in to or appointed to a new position (or even if you have held the position previously), be aware of the duties that this position. Make sure you can fulfill all aspects of the position. It is so important to be familiar with the roles you will play with your new position and knowing the job description will be extremely important for a successful term of office.

Let us all strive and work together to help and assist those around us to reach new goals and move our organization forward. Let us continue with a positive attitude and remove all negativity. We all need to be more accountable to our leadership and our leadership needs to be held accountable to the members. With the help, support, and cooperation of each of us we can accomplish great things in the year ahead. I look forward to serving to the best of my ability. Please email or call me if I can be of help in any way.

Stitched with Honor: South Louisiana Quilters Award a Quilt of Valor to PNC Johnny Baker

*Submitted by Rebecca 'Becky' Marcel,
Southeast Division Vice President, MCLA*

During the awards banquet at the 2026 Department of Louisiana Convention on June 6, the South Louisiana Quilters and PNP Norma A. Liner MCLA Unit had the distinct privilege of awarding a beautiful Quilt of Valor® to Past National Commandant Johnny Baker. More than a highlight of the evening, the presentation was a visible expression of appreciation, carefully pieced, quilted, and awarded in recognition of his service.

Sponsored by and staffed through the PNP Norma A. Liner Unit of the Marine Corps League Auxiliary, the South Louisiana Quilters work in coordination with the Quilts of Valor® Foundation to recognize cherished Service Members and Veterans who have been touched by war. Unit members help identify eligible recipients, coordinate nominations, prepare quilts, organize presentation ceremonies, and maintain the required documentation. Most importantly, they help ensure that every quilt is awarded with the dignity and respect it represents.

The PNP Norma A. Liner Unit is proud to continue supporting the South Louisiana Quilters and their work with Quilts of Valor®. Each presentation reminds us that honoring veterans is not limited to one holiday or ceremony. It is a promise we renew, one veteran and one carefully crafted quilt at a time.

May this Quilt of Valor® be treasured for generations to come as a family heirloom and a powerful testament to service.

- [Visit Indy website](#)

If you are planning to do any of the events or attend the banquet if you have not already done so go to the Convention Host website mclindy2026.com and make your event and banquet reservations.

Banquet seating will not be done online there will be a banquet seating chart in the Indianan Room where you will choose your table when pick up your banquet tickets. One thing to remember when choosing your table be sure the friends you want to sit with have not already chosen a table and put your name on the seating chart. My suggestion would be to have one person pick the table and put all the names on the seating chart and then share the table number with the others. That way everyone knows where they are sitting and the same group does not have multiple tables.

NATIONAL CONVENTION CIVICS REPORT

To: National President Dottie Sanning, Board of Trustees and Members of the Auxiliary

From: Judy Blackmer, Civics Chair

Date: July 15, 2026

Thank you for your dedication and hard work. Every year I am continually inspired by the achievements of our Auxiliary Units.

Your Civics Report is where you list activities done for those who are not veterans. This is where you report work done in civilian hospitals and assistance given by driving people to Doctor's offices, hospitals, and nursing homes. However, you may not report activities given to your own family members.

You can also report work with community projects such as park cleanups, public health initiatives and social or humanitarian issues such as families in need, homeless shelters, food banks, Church work, and volunteer time with a choir. Civics is also the only place to list Total Pints of Blood Donated and the Number of Awards given to the Girl Scouts.

Your hours of Volunteer Service are the backbone of our mission and reporting your hours is one way to highlight our dedication to our organization and the people we serve in our communities. We amplify our Civic power by combining and committing ourselves to public service, listening, learning, and donating.

Thank you for all you do for our Marines and their families. We appreciate all our volunteers, and I am honored to have served as your Civics Chair this year.

FORMS COMMITTEE

From: The Forms Committee

To: Officers and Members

The Forms Committee will be meeting the beginning of July to look over all form changes that have been submitted. We will have all suggestions ready to present to the Auxiliary at the National Convention in August. We are looking forward to a great convention in Indianapolis and getting to see you all there.

We hope everyone has a wonderful Independence Day and Happy 250th birthday to the USA!

Respectfully submitted,

History Report

History books submitted for evaluation should have an appealing visual presentation to encourage readers to explore the pages. Additionally, the book must be clearly labeled with the Unit/Department name and location. A **Table of Contents** should be organized chronologically, with all pages numbered.

The auxiliary's activities from the past year should feature plenty of photographs showcasing members engaged in exciting events. Each photo must include the names of those pictured, along with details about where, when, and why the event took place. The books should maintain a tidy appearance.

As readers flip through the pages, they should feel inspired and wish they were part of the group enjoying all the fun and engaging activities organized by the auxiliary. Please ensure to include only events sponsored by the Unit/Department (no weddings, showers, etc.).
