Happy Mother's Day!

Whether you're a mom, grandma, great-grandma, or simply someone who's had the blessing of being loved by a strong woman—this month, we celebrate YOU. I hope this special Sunday gives you a chance to slow down, feel appreciated, and maybe even treat yourself to something special.

As we continue to grow and welcome new members, we're discovering more chances to support one another. At the recent Midwest Division Conference, we had one of those beautiful moments. Although she isn't an auxiliary member (yet!), we came together to celebrate a Marine Corps League member expecting a new addition to her family. We showered her with love, gifts and, of course, plenty of seasoned advice from experienced moms. That's the heart of what we do - support our Marines, the League, and each other.

Midwest Division Attendees, League member Stephanie Abbott

Traveling to different conferences and conventions across the country continues to be an incredibly rewarding experience. I get to meet not only our amazing Auxiliary sisters, but also prospective members and Marine Corps Leaguers who are excited about forming new auxiliaries. Whenever I can, I connect them with their Division Vice Presidents so they can work together to start building those units.

As I write this, I am preparing for my upcoming trip to the New England Division and Quad State Convention in Portland, Maine. I'm thinking positively that the women in these areas will be eager to get involved in the auxiliary. As many of you know, auxiliary members who volunteer their time and talents in their communities can positively impact the growth of their detachments.

Speaking of time and talents, don't forget – this month is the time to **submit your volunteer hours!** Each unit should send their completed worksheet to their department secretary. She plays a crucial role right now, compiling those numbers and reaching out to any unit that hasn't submitted theirs yet. Remember: every unit should be represented on the department worksheet - even if no hours were reported. If you do not have a department to send your volunteer hours to, you may send them directly to the Committee Chairs. If you're unsure how to track or report your hours, don't hesitate to reach out to one of the committee members. They're ready to guide you through the process and make sure your amazing efforts are counted!

Let's continue supporting each other, showing up for our communities, and making a difference - together.

Later this month, I will be heading to Arlington National Cemetery to represent the Auxiliary at the Memorial Day Service and wreath-laying ceremony at the Tomb of the Unknown Soldier. It is such a moving ceremony, and I encourage all of you to attend one as your circumstances allow. Of course, many of you will be busy with Memorial Day events in your own communities. Ladies, your dedication, compassion, and commitment to service is what makes our Auxiliary so special. Thank you for all that you do, and here's to a meaningful, impactful month ahead.

From Ramona's Desk:

Wishing all our members a Memorial Day full of remembrance, respect, and patriotism.

We are 101 days away from National Convention. If you are planning to attend, please submit your completed banner and credential forms to Headquarters by 1 July. Please also remember to submit Volunteer reports so that they can be reconciled for convention.

Lastly, it is time to look at any Bylaw or Administrative Procedure change you want to propose. Proposals must be submitted to National Headquarters no later than May 13th, 2025.

Thank you all who sent cards and warm wishes to Daniel for his surgery. Happy Mother's Day!

APRIL SHOWERS Bring MAY FLOWERS

I hope you all are enjoying the warmer weather that Spring is bringing us.

I have always been told that April showers bring May flowers. Do you know what else May brings? Your new volunteer hours start May 1st. So – now is the time for your Volunteerism chairperson to start crunching the numbers for all the wonderful volunteer work your unit has put in over the last year and sending them to your department secretary (or, in the case of no department, to the correct chairperson). While recording your volunteer hours, keep in mind that the work you do at home or in a group setting, such as making lap blankets, goes on your Rehab report, but the cost, mileage and time to deliver them goes on your VAVS report. If you have questions about where your volunteer hours go, check out the wonderful worksheets in Enclosures 14 through 18.

May also brings the end of counting recruiting numbers, so if you have recruited a new member, this information must be to National Headquarters by May 31. I am looking forward to seeing how many new members have been recruited and who recruited them. For those who are having success recruiting new members, be sure to share your success stories with all of us. Maybe we can use your success to help our own units grow. Please do not forget to sign the application; we want to make sure you are given the recognition due to you.

Something else to keep mind over the next month or so is, your Report of Elections and Installation is due to HQ no later than June 30. With that date being the end of the fiscal year, it is a good time to look over your unit's budget and plan for the next year.

Happy Mother's Day and enjoy Spring!

Semper Fidelis: Honoring Tradition, Building Community

As we reflect on our shared mission to preserve the traditions of the United States Marine Corps and support our Marines, veterans, and their families, I am filled with pride for the unwavering dedication of our Auxiliary. Chartered in 1937, our organization stands as a pillar of patriotism, history, and fraternal spirit, fostering camaraderie and service in communities across the nation.

This year, our units have continued to make a profound difference. From volunteering at VA hospitals to supporting Toys for Tots, your efforts bring hope and strength to those we serve. Whether it's aiding veterans' families, participating in youth programs, or honoring our fallen heroes by decorating graves, every action strengthens the bonds within our Auxiliary and the broader Marine Corps League.

As we plan for upcoming Department conferences, let's seize these opportunities to connect, recruit new members, and advocate for our role alongside the Marine Corps League. If your unit is hosting or attending an event, ensure early involvement in planning to secure space for our meetings and agendas. Reach out to your Division Vice Presidents or Department leaders for guidance—they are here to support you.

Our strength lies in our members. Attend monthly meetings, share your ideas, and invite others to join our mission. Together, we can expand our reach and continue to uphold the values of the Marine Corps. If you're unsure where to start, contact your unit leadership or visit nationalmcla.org for resources and inspiration.

Thank you for your tireless commitment to our veterans, communities, and the legacy of the Marine Corps. As we move forward, let's remain faithful to our motto, "Semper Fidelis," and to each other.

Semper Fi,

Becky Marcel

Americanism Article
Submitted by Tracey Killinger
Chairman, Americanism Committee

What is Americanism?

Americanism is an ideology, or a belief in devotion, loyalty, or allegiance to the United States of America, or respect for its flag, its traditions, its customs, its culture, its symbols, its institutions, or its form of government.

What are the six main American ideals?

Democracy, Freedom, Liberty, Equality, Justice, and Opportunity

How can you show Americanism?

Distribute US Flags and/or present a Certificate of Recognition to a local business, private citizen and/or youth group for flying the Flag. Distribute flags to businesses, community organizations and schools that do not have a flag flying or provide a new flag to those whose flag is tattered.

How To promote Americanism.

Continue to teach our youth about flag etiquette, teach them the Pledge of Allegiance, and encourage them to learn the history of our veterans and military.

What Americanism means to me...

Americanism is an unfailing love of country, loyalty to its institutions and ideas; eagerness to defend it against all enemies; undivided allegiance to the flag; and a desire to secure the blessings of liberty and posterity.

Personal Note from Chairman...

I'm hoping that everyone went out and purchased a pocket calendar and have been keeping track of all those volunteer hours, mileage, times, and money that you so amazingly donated to various Organizations throughout the year that can be annotated on any of the following reports; Child Welfare, VAVS, Americanism, Rehabilitation, and Civic Reports.

Any questions, here is my email address, feel free to use it anytime.

CHAPEL OF FOUR CHAPLAINS UNITY WITH OUR UNIFORMITY

The chapel was formed to honor the memory of four extraordinary men and their act of supreme sacrifice during WW11.

Please check out the web site fourchaplains.org and read about the chapel and the wonderful history. Look closely at the Legion of Honor and other awards. There are countless people in our communities that go above and beyond what is needed to help others every day. They do this NOT for recognition, but like the chaplains, it is just in their nature to serve.

You have the opportunity to honor those folks.

We all need a little “thank you” from time to time, and this is your chance as Auxiliary members to say thank you to those in your area.

At a division conference a few weeks ago, a slide of the chaplains was placed on a screen and two former recipients told their stories. It was interesting to watch the expressions of those assembled, who had no idea of this program. Look in your communities, at church, other organizational meetings, anywhere. There are those who silently work and deserve this recognition.

God Bless,

Barb Nobile

National Memorial Fund 2025

Marine Corps League Auxiliary

Welcome to Spring! The weather has been a bit wild again this year with the crazy winds but I'm sure that this, too, will pass. I'm certainly looking forward to getting plants in the ground and picking all of those fresh veggies.

There were a couple of changes to forms this year. The National Memorial Fund Donation should be updated to read 'In Memory of' / 'In Honor of'. Enclosure #36 (National MCLA Memorial Fund Guidelines) has also been updated and revised at National Convention at Oklahoma City in August 2023. Please do not use the National Memorial Fund Cover Sheet that was revised in 02/2013 as it does have some incorrect information.

All requests for assistance must be sent to either MCLA National Headquarters or directly to the Committee Chairperson, Jan Crowe. The requests must be on Unit or Department letterhead. All approved requests received will be acknowledged with a thank you letter to the Unit or Department. The recipient will be sent a letter of acknowledgement as well.

The National Memorial Fund Committee is pleased to say that we have been able to assist several families this year and have received several donations since Mid Winter, however, the National Memorial Fund would not be sustainable without your help!

All donations are welcome and are much appreciated. Donations can be made in Memory of or in Honor of someone and will be acknowledged according to your wishes. Donations will be acknowledged with a Thank You letter to the person sending the donation.

I'm looking forward to seeing everyone at National Convention in Palm Springs in August and the committee will again have our raffle table set up. As you know, the National Memorial Fund is fully funded by donations, and the Committee appreciates your help. There will be donation forms and a donation jar at the table. The donation form is also available on the MCLA National website in the library (www.nationalmcla.org). Checks should be made payable to MCLA National Memorial Fund. Please stop by the table and visit the committee members and purchase your raffle tickets.

Thank you to my committee members: Colleen English, Pauline Forsell, Mitzy Abeyta and ex officio member, National President Dotty Sanning.

Semper Fidelis,

Jan Crowe
Memorial Fund Committee Chairperson

Hello Sister Members!

It's that time of the year again when there is a change of leadership in your units, which potentially brings about the discussion as to whether to attend the National Convention.

This year is the 250th anniversary of the USMC, so I expect to see a LOT of Marines this year in Grapevine, TX. I'm hoping that a lot of you will attend the National Convention as well.

I cannot stress enough about the importance of registering your unit's full voting strength, especially if only one (1) Delegate will attend.

To recap my previous article:

Why register for the National Convention and send at least one Regular Member to attend?

- Your Unit's voting strength is:
 - Determined by your official transcripts received by the National Secretary as of July 1
 - Based upon increments of 15, plus one (1) more for the partial quantity over the previous 15
 - Represented by the number of Delegates your Unit registers for the annual National Convention

How can each Unit help that plans to send at least one (1) Delegate?

- Register your full potential of Delegates, even if not all the listed Delegates are going to the National Convention. This provides your Unit its full voting strength.
- Submit your Unit's Credentials Form (Enclosure #1) well in advance of the July 1 deadline.
 - This allows the National Secretary sufficient time to:
 - Verify membership of the Regular Member/s of your Unit.
 - Provide your Unit's voting strength to the Registration Chair, which is based upon your Unit's transmittals the National Secretary received by the deadline of July 1.
 - If you miss the July 1st mail-in deadline:
 - Please complete the form correctly:
 - Especially the mandatory signatures of your Unit Secretary and Unit President (NOT printed names or computer text) and bring it with you to register at the National Convention
 - There is an additional \$1 in the fee for registering at the National Convention
 - The National Secretary or the National Jr. Vice President will validate the form
 - After verification, the Credential Committee will create and print the Convention Badge for pickup, usually by the next day, and used in lieu of presenting your membership card every time you attend the meeting.

Don't want to register?

- All non-registered members must show her current membership card each time she attends the meeting.
- All current Regular and Associate Members can attend the National Convention business sessions.

Associate Members

- Per the National Bylaws Article One National Convention, Section 105 (A) (1), any Associate Member, who is in good standing and possesses her membership card, can attend the National Convention business sessions.
- She cannot vote on any issues, but she can speak if properly registered and recognized by the Chair.

My Committee and I look forward to this year's National Convention in Grapevine, TX and meeting all who attend.

The Scholarship Program is sponsored by the Marine Corps League Foundation.

If you or someone in your family is going to be attending an accredited college in the fall, it is time to start thinking about applying for the Marine Corps League Foundation's Scholarship. This scholarship is easy to apply for and is only a one-page application. You can find it on the Marine Corps League Foundation website, under Youth Programs (scroll all the way to the bottom). Scholarship money is based on two things: how much money has been donated to the Foundation and the number of approved scholarships.

Make sure as you are completing the form, that you fill in "all" the blanks. Then you just need a signature from an Auxiliary or League member in good standing (which of course, all of us are). You must have a required Cumulative Unweighted GPA of 3.30 or higher, on a 4.00 scale.

Applications must be completed online (no snail mail is accepted), along with the final certified school transcript. The school should be able to assist you with this process. Deadline for applications to be submitted is July 21, 2025

Do not forget the final requirement: For those who are selected for the scholarship award, you must submit a Confirmation of Enrollment as a full-time student from the school. Without confirmation, you will not receive the award. Details for submission of this confirmation will be provided when the preliminary list is posted on the League website. Preliminary approved applicants will not receive notification. The list will be posted to the MCL National Website by August 31, 2025.

Send Student Data Sheet and Proof of Enrollment from the college by email only – **due September 21, 2025.**

Now get out there and apply for this Scholarship!

God's Blessings always,
