## National President Dotty Sanning

Happy Birthday to the United States Marine Corps!

Ladies, what does this really mean? Is it a reminder to decorate the hall, plan our hair and nails, and wonder if we can still fit into that special dress? Perhaps it's time for a shopping trip, for something new! But maybe this birthday invokes a different sentiment. The USMC Birthday is an opportunity to gather with our auxiliary and league family members. Yes, we get to transform the hall with candles, crepe paper, and balloons, and it's okay if my hair and nails are just fine. I'm sure I can find something suitable to wear. Whether it's a casual get-together with birthday cake or a formal ball, there can be joy and camaraderie at every gathering.

You may not have someone to go to the birthday celebration with. How would I feel going 'stag'? Do I really want to be around other couples when the other half of my couple is not here? Thankfully, we have our sisters in the Auxiliary – there is always someone to sit with, share a meal with and reminisce with about past birthday ball celebrations.

November is also the month when we honor our veterans, especially those no longer with us. If you're on the East Coast or planning a visit, I highly recommend attending the Veterans Day ceremony at Arlington National Cemetery. Our Banner Bearers, Karen Mastriana and Tammy Rivera, do an outstanding job at the Parade of Flags, a key part of the event. Following the ceremony, various veterans' organizations will lay wreaths at the Tomb of the Unknown Soldier. On Veterans Day the Military Order of the Devil Dogs Chief Devil Dog will present the wreath with the MCL Commandant and, for Memorial Day, the Auxiliary will participate with the MCL Commandant. Additionally, the public is welcome to attend both events as spectators. I look forward to representing the MCLA at these ceremonies and encourage you all to attend as circumstances permit —these events are truly bucket-list worthy!

## National President (Con't)

Before we shift our focus to Thanksgiving, please ensure your unit/department treasurers have sent the necessary transmittals to headquarters. Also, we are currently updating the Bylaws and Administrative Procedures with the changes voted on at the National Convention. I'm confident that Jr. Vice Darlene MacCubbin and Past President Linda Chamberlain will have these ready soon, including any housekeeping corrections that needed to be made. Personally, I love having the flash drive with the Bylaws on it. That way I can simply delete the old copy, download the new one and I am ready to proceed. Furthermore, if you notice anything unclear in the Bylaws or Administrative Procedures, please do not hesitate to reach out to your chain of command. Chances are, if you have a question, others do too. We want to ensure everything is clear and understandable. Equally important, if you feel you need training on any topics that you are reading about, don't think twice to ask your chain of command for support—someone on staff likely has experience and would be able to provide that training to you and others.

Finally, mark your calendars for the Mid-Winter National Conference, scheduled for February 27th to March 1st, 2025, at the Sheraton Pentagon City in Arlington, Virginia. The room rate is \$131.00 per night, plus tax, with a parking fee of \$10 per day. Online registration is now available on the MCL website (<https://www.mcleaguelibrary.org/conference>), so don't wait until the last minute to book your reservation. You, your unit or department may want to consider placing an ad in the program book, but remember the deadline is February 4, 2025. Don't let the holiday rush distract you from voting on your ad submission!

Wishing you all a blessed Thanksgiving. Please keep in your thoughts and prayers those who may be alone in our communities and overseas.

## From Ramona's Desk:

Life member disbursement checks are being sent out. Please remember to cash the check within 90-days or it will be cancelled. If your Unit or Department wishes to donate these funds to Headquarters please let me know or return the check.

Reminder, the registration form for Mid-Winter is enclosed. For those planning to attend, you can either fill it out online or complete this form and send it to the Marine Corps League.

As we approach a very busy time with the holidays, I hope you take time to honor our Veterans this Veterans Day and celebrate Thanksgiving with your loved ones near or far.

*Ramona Smith*

We love recognizing our member's birthdays and would never intentionally leave out a celebration! Please make sure your member profile in the MCLA database has your birthday listed by sending an email to [MCLAHQ@nationalmcla.org](mailto:MCLAHQ@nationalmcla.org).

Happy Fall!

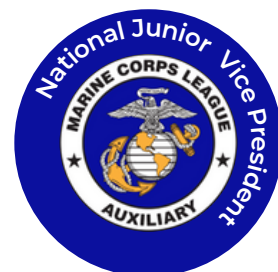

Hope you're enjoying all the wonderful colors and family fun that comes with it. As many of you may be planning your Thanksgiving and Christmas events, I ask that you keep our veterans in your hearts and minds. Perhaps invite a veteran with no family to your home for a holiday meal, take a few simple gifts to a veteran in a nursing home in your area, or ask your members to sign and deliver Christmas cards to local nursing homes.

With the New Year quickly approaching, it is a great time to start focusing on our membership numbers and recruiting new members. When you meet someone who might be interested in the Auxiliary, don't just assume they will come to the next meeting. Give them an application; take their name and number; then contact them and offer to pick them up for the next meeting. Once they are there, make them feel welcome, introduce them to all the members and thank them for coming. However, it really does not end with this. It's important that you mentor them, make sure they are invited to and aware of upcoming events. Ask them to take part in your next fund-raiser or outside event. Make sure that your name is on the application as the recruiter.

If you have not sent all required paperwork to Ramona, please get this done as soon as possible. She is missing Bond Forms, Election of Officer Reports and some transmittals. If you are having problems with your 990 or incorporations, please reach out for help. Your Department Presidents, Division Vices and National Officers are here to help you.

# Greetings from the Mideast Division!

I was fortunate enough to attend the National Convention in California. It was an incredible adventure. However, there were alarming incidents that took place. The desert temperatures reached 104 for a couple of days, followed by 105. Although, the entire time it felt like it was 112. Got to love change.

It was a nice reunion with members that I only have opportunities to see at MidWinter Conferences and National Conventions. In addition, it was a treat to meet new friends.

I would like to welcome Alison Noger as the newest member, to the Patuxent River Unit, the Department of Maryland and the Mideast Division. Having met her initially at the National Convention in Florida, it was my pleasure to better know her at the National Convention in California. She has a very positive personality and is a welcomed addition to the Patuxent River Unit.

There have been many women that have faithfully served this Auxiliary for a number of years. We truly appreciate them and the service they provided. The traditions they honored and lived by in the Auxiliary are fading away. Their knowledge and experience is priceless and so needed, more today than ever before. The Mideast Division is losing the strength and hope that these women before us wore proudly. We need you as Mentors. We need your guidance and direction. We need your strength and hope. We Need You. If this is physically not possible, then we need your voice. We need to talk with you. The Mideast Division has had Units close, and or Departments close. Our membership is dwindling quickly. New members are very few and far between. I would love to know what drove these women, who served the Auxiliary for all of those years, to keep coming back, to continue the desire to serve, to have the courage and belief that they could fill any board position, Division position, and committee position, and to be a supporting member of the National Marine Corps League Auxiliary.

Last but not least... Congratulations to the new National President, Dotty Sanning. She has worked hard in a variety of capacities, has been an exceptional role model for this Auxiliary, and gone above and beyond the call of duty in all tasks accomplished. Her assignment as the National President is well deserved! Congratulations Seester!

Because of her past service, commitment and leadership, her name will continue to be submitted as an exceptional candidate for selection of the prestigious award "Chapel of the Four Chaplains."

Happy Holidays upon us all.

Respectfully In Service,

*Patricia A. Smith*

# Child Welfare Report

Hello Ladies,

We wish all Auxiliary Members, a Happy Thanksgiving, and a Blessed Christmas Holiday! I know many of you will be participating in volunteer events that involve the children in your communities. Please be sure you track and report all the hours dedicated to those children. It will be much easier to compile your final Child Welfare report if you track the hours, mileage and monetary donations or expenses each month.

All MCLA members should track their time, miles and monies donated to the organizations listed above. FYI- Our reporting period is from May 1st to April 30th of each year instead of the fiscal year.

Important dates to remember:

- The Unit Chairman is to prepare and mail or Email two copies of the Unit Volunteer Report to the Department Chairman thirty days prior to your Department Convention.
- The Department Chairman is to compile all Unit reports and record the information on the MCLA Cover Sheet and sends one copy to the National Chairman by July 1st.

My contact information for submission to the National Chairman is below:

Teena Foster  
3888 Ricklyn Drive  
Chambersburg, PA17202

Email: [teena56marie@gmail.com](mailto:teena56marie@gmail.com)

Thank you for all you do to support our Veterans and the Children.

*Teena Foster, Committee Chairman*

*Karen Mastriana, Committee Member*

*Patti Morgan, Committee Member*

# Bylaws and Administrative Chair

Autumnal Greetings from your National Bylaw & Administrative Procedure Committee!

There are sample forms on the Webpage to assist any member who wishes to submit a Bylaw or Administrative Procedure Amendment to be considered at the MCLA National Convention. It is not required that you use the forms. They are offered for your convenience and as a learning tool. The forms have space for all the information that is required, as well as space for information that will assist the voting members to understand what the intended amendment is, why the amendment is being submitted and what the change will entail. It is hoped that no one will become confused nor will an amendment pass that does not truly reflect the wishes of the majority of the membership.

Bylaw and Administrative Procedure Amendments require a majority vote, as per National MCLA Bylaws, Article Eight, Section 800. If a roll call vote of Unit Strength is desired, a motion stating such must be made (by ten Delegates, as per National MCLA Bylaws, Article One, Section 110(c)) prior to the vote being taken on the specific amendment. If not requested by ten Delegates, then the vote will be by the regular process in compliance with the Rules of Convention.

Before drafting an amendment, please read the MCLA National Bylaws, Article Eight, Section 800 and the MCLA National Administrative Procedures, Chapter Ten, Section 1015 and 1020. If this is done first, it will be easier to understand the information requested on the sample forms.

There is only to be ONE amendment on each form and the information that is added to the sample form must be TYPEWRITTEN. If a particularly long amendment is being proposed, the required information may be continued on the back of the form or on additional pages, always being sure to note that it is "Page 1 of 2" or Page 2 of 2", etc.

Please remember that *Robert's Rules* states, "In order to give the organization the greatest freedom to act within its objective, Bylaws should be made no more restrictive nor more detailed in specification than necessary." Be careful not to make a suggestion that is so restrictive that it may harm the future good of the organization, and try never to propose a change to the National Bylaws and/or Administrative Procedures simply because of a personality conflict arising from the actions of one or two individuals.

It is hoped that this information will prove helpful. It is not meant to answer every question. We all become more valuable members of this Auxiliary by being challenged to learn new things. Please do not hesitate to use the chain of command if you need additional assistance. Those members you have elected to serve you are extremely important "links" in our chain.

Hoping you all learn to enjoy the Bylaws and Administrative Procedures as much as we do!
