

“ONCE A MARINE, ALWAYS A MARINE”

This statement is familiar to all of us. As a person or family that has family member or friend earn the Eagle, Globe and Anchor it is much more than a statement.

It is that feeling you get when you see a Marine Corps sticker on a car or see a home proudly displaying the USMC flag.

The Marine Corps EGA is so much more than a symbol. It's the feeling of pride, security, safety and family.

You know that a Marine will be there for you.

The Marine Corps League Auxiliary exemplifies that ideology.

We are a sisterhood. We support each other, our Marine Corps League and our community through fellowship, advocacy, activities and charitable works.

We're looking for patriotic and passionate women to serve our Marines, Veterans, their families and the community.

**We invite you to join
us in our mission.**
